Dear South Brunswick Families,

We wanted to share with you the videos of the two *Budget Question and Answer Forums for Parents* that were held on March 14<sup>th</sup> and 20<sup>th</sup>. **We are currently facing a \$6,200,000** deficit and these meetings were designed to allow families to learn and share their questions and thoughts. You are encouraged to watch the videos at your convenience to gain valuable insights into our budgetary crisis.

Additionally, to further assist you in understanding our budget and its implications, we have prepared a Budget FAQ document. We hope this resource will provide you with a quick and comprehensive overview.

I would be remiss if I did not thank our District Advocacy Committee along with students, administrators and Board Members who testified at various state meetings on behalf of the South Brunswick School District. Please [click here](#) to view our most recent testimony given at the Senate Budget Hearing in Newark.

We hope these resources will help provide you with some insight into what we are facing in the coming school year along with providing you with factual information.

Thank you for your continued support.

Sincerely,

Scott Feder  
Superintendent of Schools
