

# SOUTH BRUNSWICK HIGH SCHOOL

Dear Parents and Students of the Class of 2024,

*"The gem cannot be polished without friction, nor man perfected without trials." - Confucius*

As you read this letter, a unique summer will be coming to a close and I hope you had many opportunities to spend time with family and friends, even if only virtually. We will soon begin a new school year, which also marks the start of your high school career. It also my first year of high school in South Brunswick, which makes for an exciting connection between us. I'm looking forward to being your assistant principal for the next four years while we learn and grow together at SBHS.

South Brunswick High School has a long tradition of offering excellence in academics, as well as extracurricular and co-curricular activities. One of our greatest strengths is the pride and support we receive from our community and how our parents/guardians are critical contributors to the success of our students. We welcome your partnership as we all work to provide the best possible education for our students.

As I mentioned during orientation, I encourage you to make connections with our broader school community by engaging in activities, clubs, and athletics. Making connections is especially important while we are in remote learning as they provide us with a way of forging new friendships and fostering existing ones. Our high school offers tremendous opportunities to get involved, so take advantage of them!

While there will be similarities between middle school and SBHS, there will also be some changes to your school routines. The 9th-grade office is dedicated to helping you face the challenges you may encounter as the school year moves forward. I encourage you to take advantage of the numerous opportunities you will have to become a successful student.

Our first official day of school will begin as an A day on Tuesday, September 8th. The beginning and end times for our days are from 9:00 am - 3:00 pm. A complete schedule for each A and B day will be provided prior to the first day. We ask that you please continue to check your email for updates.

I look forward to working with you, learning with you, and growing with you. Please feel free to reach out to me or to you Dean of Students, Mrs. Nancy Ducko-Sweeney if you need any support.

Welcome to South Brunswick High School!

Brian McManus  
South Brunswick High School  
Assistant Principal ~ Class of 2024
