

SOUTH BRUNSWICK HIGH SCHOOL- Health and Physical Education Department

**Daily Points Grading Rubric - All Grade Levels**

Students are eligible to earn 7 points per class with marking periods totaling between 21-23 classes depending whether or not it is an A day or B day. Student grades will be updated approximately every 2 weeks. This will allow students to monitor their own progress throughout each marking period.

Each unit of study will have multiple assessments (written quizzes, homework, etc... NJSL 2.5 & 2.6/SHAPE 2) that will be factored into the students final grade for the quarter. For example: If the student has 21 classes and is given three assessments worth 10 points each, the maximum amount of points would be 177. The students final grade for the quarter will be points earned divided by total points possible. Ex:  $163/177 = 92 A-$ .

Quarter 2 will include knowledge and skill based pre and post assessments in PE. The pre-assessments will not count towards the final Qtr. 2 grade.

**Student Expectations for Physical Education**

**A. Being prepared for class means:**

1. **Wearing athletic footwear at all times.** Sandals, Uggs, open toe footwear, slippers, dress shoes or boots are not acceptable.
2. Wearing appropriate attire for physical activity. The school dress code applies both inside the gym and outside.
3. **No ELECTRONIC DEVICES**, jewelry, or backpacks in class. LOCK these items safely in your locker.
4. Having appropriate cold/warm weather attire available for every class.

**B. Being on time for class means:**

1. Arriving at the locker room by one (1) minute after the bell. **Doors will then be locked for security purposes.**
2. Sitting at assigned attendance area no more than six (6) minutes after the bell. Arriving at either location late results in a tardy.

**Starting times for class-** Students must be **in the locker room** by the time below or they will be locked out for security purposes and not permitted to change.

Block 1 7:31 AM

Block 2 9:15 AM

Block 3 10:48 AM

Block 4 12:58 PM

**Lockers**

All students are assigned an individual small locker. Students are not allowed to share lockers, nor should they share locker combinations with anyone. ***It is the expectation that all valuables/electronic devices will be locked up safely during class*** and that the student will bring in his/her own lock. Tall lockers may only be used during a student's PE class. Locks left on tall lockers or a locker that is not assigned to them will be removed.

**Assessments**

During Physical Education all students will be assessed in a variety of ways. This will include written work such as homework and quizzes. It will also include skill assessments. Assessments will each have point values ranging from 5-15 points. Students should expect 2-3 assessments during each quarter of Physical Education.

**Medical and Parent Note Policy**

One parent note is accepted for each half of the marking period if student a student is not feeling well. (input as a zero). Students will be allowed to make up this missed class. Longer medical excuses must be signed by a doctor, include a **beginning and an end date**, and be turned in to the nurse. If a student is medically excused from participating in P.E., they are ineligible for participation in after school athletic activities as well. See [www.Tinyurl.com/sbhsPEmedical](http://www.Tinyurl.com/sbhsPEmedical) for additional information and medical assignments. Students excused for one week or more must complete weekly assignments from the above site. These assignments are mandatory. Students will be graded on a pass/fail basis. The student must submit the completed assignments to his/her P.E. base teacher.

**Attendance/Absences**

Since Physical Education is a participatory course, attendance and participation is vital to the success of every student. Absences from class will be input as a zero and may negatively impact a student's grade in class. If a student has an excused absence, he or she may make up that class on Wednesdays from 2:40 to 3:45 PM (schedule TBA) to earn credit for time missed. These opportunities are for students with excused absences only. If students incur cuts or are unprepared for class, that time cannot be made up during these sessions. It is the expectation that all absences from class will be made up (this includes, but is not limited to, sick days, ISS/OSS, vacations, field trips, counselor visits, and/or music lessons). Music lessons should only be taken on a Mon/Wed./Fri. and may only occur twice per marking period as per the music lesson contract.

Please keep this rubric at home so that it may be reviewed throughout the year. Students are responsible for its contents. Does *not* need to be returned.
