

PROJECT GRADUATION

CLASS of 2020

RECOGNIZE - A - SENIOR

Project Graduation has become a proud tradition in South Brunswick. It is an exciting all-night event that is tobacco, drug and alcohol free. This graduation celebration, held at iPlay America, Freehold NJ, is for all South Brunswick High School seniors. Organized by parents, Project Graduation is funded through the generosity and support of the South Brunswick Community, and various fundraising activities. **OUR SENIORS NEED YOUR SUPPORT!** Do you know a senior who you would like to recognize to help make his or her senior year a memorable one? It could be your son/daughter or perhaps a relative, neighbor or special friend of the family. An acknowledgment of your donation will be sent to the senior, as well as yourself. If you wish to remain anonymous to the senior, simply sign the message that way. If you don't know a senior, general donations are always appreciated. Your donation is tax deductible (tax id # is 223-692-570/000). Thank you for your support. Please complete the form below, using a separate form for each senior you recognize. Check should be made payable to SBHS Project Graduation and mailed to: SBHS Project Graduation ATTN: Recognize-A-Senior 750 Ridge Road Monmouth Junction, NJ 08852 If you have any questions, please contact us at sbhsprojectgraduation@gmail.com and specify Recognize A- Senior in the subject line.
