

Physical Education Option II HAP Placement Procedure

1. Any student-athlete requesting to participate in Option II is to fill out the request form online for submission to the administration. (If the student-athlete does not submit the request for Option II placement by the deadline, they will be ineligible for the course.)
2. All student-athletes requesting Option II are to report to their assigned Physical Education class until they receive approval, via email, from the Principal, Athletic Director and the supervisor of Physical Education.
3. Once approved, the student will bring a print out of the approval (email) to their assigned PE teacher for their signature. The student is to then bring the signed email/approval letter to their guidance counselor to be placed in an Option II HAP.
4. The student-athlete is responsible to bring their Option II form, signed by their coach and counselor, at the completion of their season to their PE teacher in order to receive a passing grade. This form is not the same document as the email. They can print the Option II form from the district website. The form acknowledges completion of the season.
