

South Brunswick High School Online Course Registration 2017-2018

South Brunswick High School parents and students will register for courses online, making it more efficient and ecologically friendly. These instructions will guide you through the process.

High School course registration for 2017-18 for students currently in Grades 8 will be done online through Power School at Family Connect using the Parent Access Portal.

Note: Course registration is only through the Parent Access Portal. The Student Access portal does not have registration capability. *If you have misplaced or forgotten your Parent Access User Name and Password please contact your counselor or call the helpline 732-798-2460 for assistance.*

IMPORTANT DATES

January 25th	7 pm	Parent Night for parents of current 8 th grade students	HS Auditorium
January 27th to February 3rd	3:00 pm	Online Course Registration for 8 th grade students only	

Step 1 – Review Course Book 2017-2018 online

Carefully review the course descriptions in the Course Book online www.sbschools.org/schools/sbhs/index.php.

There will be no access to academic course registration in Power School at Family Connect for incoming Grade 9 students. Academic placements for English, Social Studies, Math, and Science will be entered at a later date based on standardized test scores, student performance and teacher recommendations. World Language will be advanced to the next level unless the student chooses to begin a new language. In that case, the student must contact their current World Language teacher at Crossroads with the request. All placements for Physical Education and Health will be automatically entered.

Eighth grade students will enter **four selections** on the registration page. Their elective choice of a 21st Century Skills Course, 21st Century Skills Alternate 1, 21st Century Skills Alternate 2, and a Help & Access Course (HAP). If you register for a course that is oversubscribed, you will automatically be placed in an alternate choice course. Pick your choices carefully so that you are not disappointed when you receive your final schedule. The system will select the alternate choice that works best with the student's schedule.

Step II – Note course selections

Use the boxes below to list your course selections. This will be helpful because you need the course title and number to register online.
